RESIDENTS COALITION LAUNCHES WEBSITE 'TO MOVE CAMPAIGN UP A GEAR'

In our Newsletter just before Christmas we said our campaign against the Arora hotel/apartment scheme and Spelthorne Council's draft plan to pepper the town with high-rise tower blocks would move up a gear in 2021. As a first step in this we are today launching a website:

www.riversideresidentsstaines.org.uk

There are two main sections on the site:

The Arora hotel/apartment scheme. It includes an analysis of the provenance of the scheme (**Birth of a Scandal**), detail on **The Heritage and Conservation Case** against the scheme, and **What residents think**.

High-rise developments. It includes an analysis of the issues relating to the proposal in the draft Staines Masterplan for high-rise tower blocks in the town and the absolute necessity for a moratorium on these while the Task Group reviewing the Masterplan completes its important work (**Save Staines from High-rise Hell**).

Riverside Residents (Staines) Coalition – a Working Group of residents' organisations serving the interests of some 600 residents on both sides of the river.
